Re: *United States v. Unified Judicial System, et al.*, No. 22-cv-709 (E.D. Pa.)

Dear Judge Goldberg,

In the pre-motion letter submitted in this case on June 21, 2023, counsel inadvertently omitted defendant Northumberland County Court of Common Pleas from among the defendants seeking a pre-motion conference. Please be advised that Northumberland County CCP requests a pre-motion conference for the reasons raised in the June 21 letter.

I apologize for the oversight.

Respectfully submitted,

s/Robert Krandel
